

## Opens up new destinations for Scotland with Virgin Atlantic

Virgin Atlantic (VS) and Flybe have extended their codeshare agreement to include London Heathrow. From today customers will be able to book tickets to travel from Edinburgh and Aberdeen with Flybe, and connect onto Virgin Atlantic flights to international destinations including Johannesburg, Los Angeles, Boston, Seattle, Hong Kong, Shanghai and Dubai at London Heathrow.

The new Flybe codeshare flights to London Heathrow will operate from 26th March 2017 offering up to four services per day from Edinburgh Airport and three services per day from Aberdeen Airport.

And Virgin Atlantic is offering flights from London Heathrow to Atlanta, Boston, Delhi, Dubai, Hong Kong, Johannesburg, Lagos, Los Angeles, Miami, New York, San Francisco, Seattle, Shanghai and Washington.

The agreement will mean customers can seamlessly connect between Flybe and Virgin Atlantic with a single check in and bag drop. It will also open up a number of new destinations for Scottish travellers, and help boost inbound tourism and investment.
